FIRST BAPTIST CHURCH RELIEF FUND

On Sunday, June 15th the Church Council met prior to worship and established the First Baptist Church Relief Fund as an ongoing way our congregation will assist those affected by the June 7th flood that hit Columbus. Gifts may be made toward this fund by marking checks “flood relief” or “relief fund” in the memo line. You can contribute through the Sunday offering or by sending your gift to the church office: FBC, 3300 Fairlawn Dr.; Columbus, IN 47203.

FBC WORK TEAMS

Since the flood hit, First Baptist has had teams of volunteer workers assisting families in our community with clean up and debris removal. These teams have met each day at 9 a.m. in the church parking lot and dispersed to the work sites and projects for that day. In time clean up will give way to additional volunteer opportunities. Please watch the bulletin and church web page for more information. Dennis Steele & Daryl McMath are working with the church office to help coordinate the work teams. Lianne Wright is working to coordinate volunteers with the work projects that will arise. Persons who wish to volunteer need to register through the church. Forms are available in the church office or on the web page. Volunteers are also asked to log their volunteer hours so they can be reported through the city. The number of volunteer hours reported helps the city in its receipt of monetary assistance.

FLOOD RELIEF DONATIONS

A list of community agencies accepting donation of goods (food, clothing, etc.) in response to the flood is available at the church welcome center and online through First Call for Help – 211. www.firstcallforhelp211.org
